

REVOCATION OF FORM DB 2 **(NOMINATION FOR DEATH BENEFIT)**

Dear Member

As a member of the Principal Civil Service Pension Scheme (Northern Ireland) (PCSPS(NI)) you qualify for benefit in the event of your death.

This form, Revocation of Nomination for Death Benefit (RDB 2) enables you to revoke any nomination that you have previously made in respect of this benefit. If you are a former member of the PCSPS(NI) and continue with this revocation you will be unable to re-nominate at a later date.

In making your decision to revoke your nomination you must be aware that where no nomination exists, any benefit due will automatically be paid to your personal representative. In the absence of any will being made, letters of administration will be required from a court of law. This applies to both current and former members of the PCSPS(NI).
